5.0 Course Description

This course is to introduce marketing's fundamental principles (marketing mix), concepts, and practices. In this course, students will learn the essential marketing mix, product, price, place/distribution, and promotion. The topics include understanding customer decision-making, the need for new product development, pricing, and promotion. Case studies will be used to apply the marketing concepts and methods introduced in the course. By the end of the course, students will have a good understanding of marketing principles and be able to develop, implement, and evaluate marketing plans in both Canadian and Global contexts.

6.0 Course Learning Outcomes

Upon successful completion of this course, students will be able to:

CL01: Have a good understanding of the basic of marketing as a business discipline

CL02: Develop a deeper understanding of customers and competitors

CL03: Be able to apply your understanding of customers and competitors to design the marketing mix (product, price, place, and promotion) for a product or service

CL04: Be able to develop, implement, and evaluate marketing plans

7.0 How the course supports the attainment of the student outcomes

Student Learning Outcomes (1-6)					
1	2	3	4	5	6
Very limited minimal	Simplistic limited emerging inconsistent	Adequate developing satisfactory acceptable basic	Proficient reasonable good capable	Skilled very good applies successfully	Excellent high- quality comprehensive insightful

- 1. ADK: to create different avenues and opportunities for the Acquisition and Dissemination of Knowledge.
- 2. **BD:** to create **business development** relationship for the growth of the institution and to market products in the world.
- 3. CS: to facilitate cybersecurity solutions and to create opportunities on cybersecurity hands-on training to our students.
- 4. **OE:** to offer different courses for Human Resource Development through the NSRIC **Online Education** platform.
- 5. RID: to conduct Research, Innovation and Development in the areas of your interest and expertise.

10. Assessment for Grade

The course grade is only related to the academic courses (i.e., K12, and university level courses) based on individual and team performance as shown in Table 1:

Table 1: NSRIC grading system

Type of Assessment	Grade %
Participation/Engagement/Performance	10%
Weekly assignment	10%
Summative Exam	10%
Quizzes	10%
Final Coursework	60%
Total	100%

Important Note:

- i) The below classified courses (i.e., academic courses) will only be evaluated based on the grade system shown in Table 2. A grade and certificate will be issued for the student(s) and participant(s).
 - A: Advanced level academic level courses; H: Higher-level courses (i.e., graduate courses); I: Intermediate courses (i.e., university preparatory courses

- 1. ADK: to create different avenues and opportunities for the Acquisition and Dissemination of Knowledge.
- 2. **BD:** to create **business development** relationship for the growth of the institution and to market products in the world.
- 3. CS: to facilitate cybersecurity solutions and to create opportunities on cybersecurity hands-on training to our students.
- 4. **OE:** to offer different courses for Human Resource Development through the NSRIC **Online Education** platform.
- 5. **RID:** to conduct **Research, Innovation and Development** in the areas of your interest and expertise.

- Grade XII+); **K12**: Foundational, and lower-level courses; **M**: Mid-level courses (i.e., undergraduate courses).
- ii) The below classified courses will **not** be evaluated based on the grade system shown in Table 2. A certificate will be issued for the student(s) and participant(s).

E: Executive courses; **P**: Professional courses; **S**: Short/seminar courses; **T**: Training courses; **U**: Tutorial Courses; **V**: Vocational training courses; and **W**: Workshop courses.

Participation/Engagement/Performance

Your participation in every aspect of the course is important for the learning process. Your engagement in every discussion in the course, due delivery of all assignments, quizzes, and research projects will be fruitful. These efforts from your side will reflect your performance in the course delivery and your commitments. This performance is the reflection of your dream grade!!

Assignments

You will be given **5 assignments** (maximum 500 words each assignments) during the course delivery. The due dates for assignments are specified in the course content and schedule section. The assignments will be given time to time to solve/answer/discuss during the term. Assignments will be posted through NSRIC online platform at least one week before they are

due. Due dates are given in course schedule (tentative schedule). However, in case of any special circumstance, the date will be posted beforehand or announced in class.

Quizzes

- 1. ADK: to create different avenues and opportunities for the Acquisition and Dissemination of Knowledge.
- 2. **BD:** to create **business development** relationship for the growth of the institution and to market products in the world.
- 3. CS: to facilitate cybersecurity solutions and to create opportunities on cybersecurity hands-on training to our students.
- 4. **OE:** to offer different courses for Human Resource Development through the NSRIC **Online Education** platform.
- 5. **RID:** to conduct **Research, Innovation and Development** in the areas of your interest and expertise.

Bringing people together through knowledge dissemination

London, ON, Canada

www.nsric.ca

Office of the CEO & President - Headquarters

Two quizzes (maximum of **five MCQ** @ **five** minute) will be taken based on class lectures and performance. The quiz will be taken in the beginning of the lecture through NSRIC online platform. If you miss the quiz without any valid official excuse, your will receive **zero** for the non-attended quiz. If any student fails to attend the quiz, he/she must submit a valid reason to the instructor. In such case, he/she should appear another quiz or may be averaged on the quizzes that he/she attended. It will depend on the situation and instructor.

Summative Exam Research Project and presentation

Different formats will be used as the summative exam, such as group presentation, personal or group project, etc. Each group/student will be assigned a topic related to the course material by the instructor. If the summative exam is a group presentation, the group will present their work during the class (5 min presentation + 5 min discussion). Additional information is available at the exam guideline.

Final Coursework

One final coursework (word count: maximum 2000 words) will be taken according to the NSRIC policies and guideline. The coursework is an individual work. Students will have at least three weeks to finish the coursework and submit it by the deadline stated on the coursework guideline. Final coursework mark with comments from the instructor will be distributed to students 2 weeks after the submission deadline.

11. Grading Scale of the Course

Important Note:

- 1. ADK: to create different avenues and opportunities for the Acquisition and Dissemination of Knowledge.
- 2. **BD:** to create **business development** relationship for the growth of the institution and to market products in the world.
- 3. CS: to facilitate cybersecurity solutions and to create opportunities on cybersecurity hands-on training to our students.
- 4. **OE:** to offer different courses for Human Resource Development through the NSRIC **Online Education** platform.
- 5. RID: to conduct Research, Innovation and Development in the areas of your interest and expertise.

12.0 Advice and additional requirements

I advise you to:

- Please contact me if you need any help.
- Students are expected to attend all scheduled online lecture classes.
- Students are expected to study from the course materials and/or textbooks which will help to easily read and understand.
- Students are encouraged to write their own notes during lectures/presentations (pdf PowerPoint presentations, and additional materials if any).
- Students are encouraged to attend online platform classes on time because lateattendee disrupts the flow of the class for both the instructor and the other students.

Additional information (During Online Course offering Period)

- The PowerPoint course materials, and video lectures will be available at the NSRIC Platform.
- There will be scheduled discussion/tutorial sessions on every Tuesday at the class scheduled time. All students must attend this session.
- O There will be an office hours for students on Wednesday from 1:00 pm 2:00 pm (EST, Toronto, Canada time). Students need to send an email request so that a zoom meeting can be arranged. In addition, any time student can set up an online appointment (i.e., phone, zoom, and/or other mode of communications) based on availability of the course instructor. However, student should send an email request for setting up this type of meeting.

13.0 Course Topics
